

Handball Australia Strategic Plan 2024-2028

Our Vision/Mission

Inspire our Nation through Handball excellence.

Unite and elevate Handball and its varied disciplines nation-wide, from community to international glory.

Our Values

The values that guide Handball Australia are:

Integrity

- We stay true to our purpose displaying fairness and honesty in everything we do.

Commitment

- We are dedicated to the development of our sport in all its disciplines.

Accountability

- We own our decisions and our actions.

Teamwork

- We collaborate with our members and our partners to achieve our mission.

Respect

- We encourage and provide for a diverse and inclusive community.

Our Strategic Priorities

Handball Australia has a set of strategic priorities with associated objectives to guide us to achieve our vision/mission.

Community, Pathways and Performance

- Increase Youth engagement
- Broaden Community development
- Promote High Performance and National teams' programs

Sustainable revenue & funding development

- Strengthen and broaden sponsor and sponsor relationships
- Secure government and IHF funding
- Diversify revenue streams

Community connections & Communications excellence

- Expand internal communications excellence
- Ensure external communications excellence
- Increase Community connections

Organisation Maturity and Capability Building

- Mature the organisation
- Enhance Organisational Capability
- Improve Governance
